

### **ATT 3M: CULMINATING ACTIVITY – BRINGING YOUR SOUNDSCAPE TO LIFE**

Working in your small groups, you will now choreograph your Tap sequences using your “Soundscapes”.

The Check List below will help ensure that the requirements for the Culminating Activity are all included in your final product.

#### Final Product:

- Floor patterns
- Evident use of the elements of dance
- Use of compositional manipulations
- Effective use of props (if applicable)
- Selection should be 1 and 1/2 minutes in length
- Use music and/or silence to enhance the dance piece

#### Duo Tang must include the following:

- Cover Page
- Choreography is documented – including stage directions, arm movements, counts, step names, etc.
- One typed page - journal reflecting the process of the choreographic creation
- One typed page - journal following the performance
- Performance rubric – blank teacher evaluation form
- Recorded Soundscape
- List of musical Instruments (optional)
- List of other ‘live’ objects, i.e.: garbage cans, etc. (optional)
