

ATC 4E: The Power of Charity

- ❖ Think about either a charitable organization that has contributed to your life or the charity that you have chosen to give a portion of the ticket proceeds to (from “A Cause for Applause”)
- ❖ Write a thank you letter to someone within the organization that impacted you, or write a letter to someone in the organization that you have chosen to benefit in “A Cause for Applause” that outlines our event. You may also choose to write a letter to someone that maybe directly affected by the base of the charity (i.e. a teenager that has been diagnosed with Diabetes).
- ❖ You may use this sheet for your brainstorming notes and then complete your letter in your portfolio.
