

Tableau Group Assessment Checklist

Group Members:

We experimented with:

- facial expressions
- interesting body shapes
- different levels
- tensions and exaggeration
- space and relationships between us

We discussed and practised:

- what moment or frozen picture we are representing
- how to present this moment
- who each of us represents in the frozen picture
- what the focal point is of each picture
- how we are moving into the next tableau

We rehearsed and revised:

- many times
- using everyone's ideas

We presented:

- with focus, concentration and stillness
- so that everyone could understand our moments
- with confidence

Next time, we will _____
