

**ADA 20: Home Collage Graphic Organizer****Instructions:**

Use the spaces in the house below to brainstorm ideas for your ideal home collage.

List concepts, words and phrases that relate to the following categories:

**needs, comforts, smells, sounds and textures.**

When you create your collage, look for images that connect to your brainstormed ideas. When you present your group's collage to the class, make reference to the ideas brainstormed in your organizer.
