Word Study #4

BARRIER

*The elevator is broken, which is a **barrier** for anyone who has difficulty using the stairs.*

means...

Give an example of each type of **barrier**:

Physical _____

Social _____

Societal _____

Finish this sentence:

Malik and his friends were breaking racial **barriers** by...

Draw a storyboard panel for a tableaux that shows a **barrier** (stick figures are ok!)

Imagine you are walking to school one morning, the day of a GIANT test which you actually feel really prepared for. Your route includes crossing a bridge, but this morning, you discover that the bridge has completely washed out! Write 3-5 sentences IN ROLE (first person, using I statements) about the thoughts going through your head as you face this **barrier**.
