

Words Can Break Barriers: Individual

Using the writing prompts below, you are going to record your ideas about Literacy. We know that not being able to read and write is a barrier, but strong literacy skills can help people overcome many other barriers. It's ok if, at this point, you don't love reading... It might be a barrier for you. What's important is to tell the truth as you complete your creative writing. These ideas will be used in your culminating performance!
