

### General Drama Peer and Self-Assessment Tool

Questions	Self-Reflection	Peer Input
Outline the ways you feel your drama work was successful. Are you satisfied with the creative process and overall production? Explain your answer.		
In what ways would you change the work or improve it?		
What other conventions, styles, media, text, or art form would you have liked to try?		
How did other people respond to your work? Give examples.		
Did they see and understand what you were trying to express? Why or why not?		
What steps of the creative process will you focus more closely on in your next production of drama work? Be specific with your answer.
