

ATC 10: Improvisation Checklist

4- Uses the element of dance with a high degree of complexity (i.e. uses multiple elements within a single movement)

3- Uses the elements of dance with considerable complexity

2- Uses the elements of dance with some complexity

1- Uses the elements of dance with limited complexity (i.e. creates one movement to show levels, one to show shape, one to show effort rather than combining the elements within a single movement)
