

Physical Vocabulary Instructions

- 1) Spend a few minutes just looking at and observing the art. Share with your group: what do you see? How do you feel? What is this about? Etc.
- 2) Read the artist's statement and description.
- 3) Determine what the theme or message of the piece is and what it is trying to communicate.
- 4) Find a song that encapsulates the same theme or message.

After the initial day:

- 5) Read through the lyrics of the song and highlight action words (words that you can physically interpret). 12-15 in total.
- 6) Walk through and choreograph movement to the song, lyrics encapsulating the theme and message.
- 7) Practice and refine the performance.
