ADA 4M: Composite Character Interview Questions

What was the biggest change for you when you went from elementary to high school?

What major changes do you predict for our world in the next 50-100 years?

What do we (in Canada) need to change about our lives so that we will have a better future?

What can you and your family do to change your lives so that the world will be better (less wasteful, more peaceful) in the next 20-50 years?

Describe a change that happened in your family and how it affected the relationships.

What is one thing about your life that you wish was different? Why? Can you see it ever changing? How?

If you could pick one thing that you wish someone close to you would change—what would it be and why?

If you could go back in time and change anything, what would you do differently? Why?

Describe a change that you saw a friend go through that was either positive or negative. Describe both a positive and a negative example if you can.

What changes do you expect to happen when you leave high school?

What would you like to change about yourself physically? Why? What would you like to stay the same?

If you could change yourself into another person, who would it be and why?

If you could transform yourself into an animal, what animal would you become? Why?

What aspect of your personality would you like to change? Why? How can you change it?

What changes do you imagine will be in your life in ten years?

What would you like to stay the same forever? Why?
